Summary

The Assassin is closing in. Just as Jack and his friend Alexia discover what it means to be the Chosen Ones, they each face the test of a lifetime. For Jack it is a question of trust; for Alexia, of loyalty. Everything rests on their making the right choices, and on the completion of their missions. The Assassin expects they will fail, and that they will either join him or be destroyed. It will take all of the Author's forces, the special gifts Jack and Alexia each have, and the help of their friends, Arthur and Mrs. Dumphrey, to overcome. But when the enemy makes a key move, and an important quest proves difficult, the prophecy--that they will both destroy and save the world--seems further from coming true than ever before.

Summary

The Assassin is closing in. Just as Jack and his friend Alexia discover what it means to be the Chosen Ones, they each face the test of a lifetime. For Jack it is a question of trust; for Alexia, of loyalty. Everything rests on their making the right choices, and on the completion of their missions. The Assassin expects they will fail, and that they will either join him or be destroyed. It will take all of the Author's forces, the special gifts Jack and Alexia each have, and the help of their friends, Arthur and Mrs. Dumphrey, to overcome. But when the enemy makes a key move, and an important quest proves difficult, the prophecy--that they will both destroy and save the world--seems further from coming true than ever before.
